Dear Sir:

Although we have a collection of all the decorations issued by this country, and have photographed them for various publishers, we have nothing printed or that would answer your purpose. A few years ago we issued a book, which we sell at $2, giving all of the medals issued in this country up to 1913, but this, since the war, is now antiquated.

One of our members who has been much interested in the subject, and has written a number of magazine articles on the Medal of Honor, Distinguished Service Cross, &c., may have or can get into such shape the material that you desire. I would advise you to write to Mr. J. P. Merritt, 615 West 136th Street, New York City.

Very truly,

Curator.
